

Hey Students! Edudaris™ is a FREE opportunity for you!

Educational Networking with a Purpose and a Plan

Edudaris™ is an educational networking platform with an industry-standard learning management system that interconnects students, educators, college representatives, scholarship providers, and businesses in a safe and secure environment. Edudaris™ is an interactive, educational community which:

- ❖ Accelerates student opportunities to seek for and apply to colleges and for scholarships by providing a “match” based on information from the student profile.
- ❖ Provides a platform for all users to establish long-term connections and to seek professional opportunities.
- ❖ Complements the present *Path to Scholarships®* teacher curricula, student workbooks, the *Path to Scholarships®* career, college, and scholarship planning portfolio, and resources.
- ❖ Provides a customizable, *Path to Scholarships® Career, College, and Scholarship Planning e-Course* and *e-Portfolio* with pre-named tabs/folders and personal file storage space to all users at no charge.
- ❖ You have two options: You may join the *Self-Paced High School Path to Scholarships® e-Course* or you may join your educator’s *Path to Scholarships® e-Course*, if available.

Membership and use of the Edudaris network is completely free to all users.
