

2025 AMET State Conference

Plan with Purpose: Harvest Success

Hi CAMP Coordinators,

We're excited to invite you and your students to the 2025 AMET State Conference — a valuable learning and leadership experience designed specifically for CAMP students!

This year's theme, "Plan with Purpose: Harvest Success," aims to inspire and empower students as they continue their journeys toward personal and academic achievement. The conference will feature engaging sessions, leadership development opportunities, and presentations tailored to the unique experiences of CAMP students.

We're also thrilled to welcome an impressive lineup of speakers, including St. Edward's University alumnus, Mr. Geronimo Rodriguez, who will share his story and insights as a successful and relatable Texas educator.

Mark your calendars!

 November 18–20, 2025

 Hyatt Regency, Baytown-Houston, TX

We look forward to seeing you and your students at this exciting event!
