## EXERCISE

- ✗ In a piece of paper, write down about your reaction when you were told about a situation that implied change and you were not happy about it
- ✗ Crumble down your paper to make it look like a rock

**La Piedra**

El distraído tropezó con ella.  
El violento la utilizó como proyectil.  
El emprendedor construyó, con ella.  
El campesino cansado la utilizó como asiento.  
Para los niños fue un juguete.  
David mató a Goliat y  
Miguel Ángel le sacó la más bella escultura.  
En todos los casos,  
la diferencia no estuvo en la piedra,  
sino en el hombre.  
No existe piedra en tu camino que no puedas  
aprovechar para tu propio crecimiento.

---

**PARADIGM SHIFT** 

An important change that happens  
when the usual way of thinking  
about or doing something is  
replaced by a new and different way

**SECTION 4: CHILD ELIGIBILITY**

**DETERMINING ECONOMIC NECESSITY**

For purposes of the MEP, move or moved is defined as a change from one residence to another residence across school district lines that occurs due to economic necessity.

Economic Necessity means *that the child and the worker (if the child is not the worker) moved because they could not afford to stay in the current location.*
