

Association for Migrant Educators of Texas

CAMP students who attend the conference will be entered into a drawing for one **\$500 scholarship**

Hi CAMP Coordinators!

We're so excited to announce the 2022 AMET State Conference. This is a great learning opportunity for CAMP students!

This year's theme is "Hard Working Families Create Future Successes," and we're committed to proving that through student leadership opportunities, best practices, and presentations geared specifically towards CAMP students.

Your students will get the chance to hear from successful AND relatable educators in Texas, including CAMP alumni Miguel Castillo!

The conference will take place November 16-18, 2022, at the Embassy Suites Hotel in San Marcos, TX. We hope to see you there!
